

Spring Cleaning Outdoor Checklist

Inspect the House for:

- Siding damage
- Shutter damage
- Cracks in the foundation
- Problems with your roof
- Peeling paint
- Air leaks around windows and doors
- External HVAC leaks, debris or damage

Lawn & Garden Tasks:

- Trim trees away from roof line
- Check hoses for leaks
- Lawn mower maintenance
- Inspect rakes and shovels
- Sharpen pruning tools
- Get rid of items that can collect water
- Rake lawn and clear debris

Gutters:

- Inspect the gutters from above
- Look for water stains near downspouts and under eaves
- Spray water on roof to check for gutter leaks
- Install gutter guards
- Check and optimize drainage from downspouts

Scan the Yard For:

- Damaged, warped or loose fence slats
- Missing shingles on your shed
- Tree limbs that are too close to the house
- Dead or diseased plants
- Holes or patchy lawn areas

Home Exterior:

- Check outdoor plumbing
- Wash siding
- Wash windows and screens
- Pressure wash paved surfaces and decks
- Seal/stain deck and fence
- Deep clean patio furniture
- Caulk around windows and doors
- Remove leaves, pine straw and other debris from roof
- Inspect/clean chimney
- Clean and prep grill
